- There is no compulsory requirement for any coach or player to attend any SBJFC training sessions. If you do not feel comfortable with your child attending sessions due to Covid-19 Issues or if you are a coach taking sessions, please do not feel that you must attend. This Guidance is specifically aimed at people who do want to attend or lead football coaching sessions.
- Training may be taking place in public spaces and therefore it is important to note that SBJFC cannot be responsible for members of the public encroaching planned training space. No facilities will be provided Toilets, Drinking Water, advanced First aid facilities such as a Defibrillator will not be available at most locations SBJFC Coaches choose to train at.
- Prior to each session we would actively encourage all parents/guardians to remind players about the importance of social distancing and that they must always listen to their coaches/coaching assistants
- We would encourage all players to travel independently to and from the training session. SBJFC are not responsible for travel to and from sessions but would recommend that any parent/player/coach follows the government guidelines regarding traveling.
- Each Player must have his/her own hand sanitiser and clearly identifiable personalised drinks bottle available this is to ensure the guidelines of maintaining strict hygiene measures. Masks and gloves are not compulsory to attend but if you are wearing these please ensure that they always stay with the player.
- Each Player must have a responsible adult attend and be responsible for them to adhere to social distancing rules and provide any assistance should they become unwell or require first aid. (A club first aid kit will be available). Parents/Guardians must always also maintain Social Distancing rules and remain 2m from each other.

If in any doubt about any of the above please speak with a Coach or official from SBJFC who should be able to assist with any queries or direct you to our Covid-19 Officer team.
